Q

THE WORKED ALL BRITAIN AWARDS

The Worked All Britain (WAB) Group was founded in 1969 to promote more amateur radio interest in Britain.

A series of awards are offered based on the administrative and geographical division of the British Isles. QSL cards are not required and the award scheme is open to licensed amateurs and SWL's.

WAB also provides generous donations to organisations helping less fortunate radio amateurs.

For further information write to Brian Morris, G4KSQ, 22 Burdell Avenue, Sandhills Estate, Headington, Oxford, OX3 8ED, England.
